For a second time I received an error, and after a couple of minutes I finally managed to continue downloading. Is there really such thing as a used wallet. Will I run into issues with the city if I don't have an official receipt? Just ignore it. It's a scam. It's designed to trick you into thinking you've paid for a computer or some other rubbish you've never really even seen yet. Then they send you an 'official' government issued document that costs a fortune.
